

Dear ARCC Scholarship Applicant,

Thank you for your interest in ARCC Programs! Below you will find step-by-step instructions for applying to our scholarship.

### **SCHOLARSHIP ELIGIBILITY & PROCESS:**

The ARCC scholarship program is designed to support deserving students from all backgrounds in accessing our meaningful travel experiences. Students who are applying should be ready to fully immerse themselves in the group experience.

To be considered for a scholarship, all required information must be submitted to ARCC. ***ARCC may request a student interview as well as a copy of your family's tax return as part of the scholarship process.***

**Step 1:** Complete and submit the [Scholarship Application](#). We ask that you provide two or more program choices to improve your chances of receiving a scholarship offer. ***This section must be completed by a parent or guardian.***

**Step 2:** Submit the [Student Statement](#) explaining why the student would like to enroll, what the student is most excited and nervous about, and how they will contribute to a positive group experience. ***This section is confidential and should be completed by the student.***

**Step 3:** Complete [ARCC's online application](#), being sure to apply to your top-choice program. When you get to the payment step in the application, please select ***"pay by check"*** as a deposit for your program will not be due until you accept your scholarship offer.

**Upon receiving your scholarship application, we will review it and get back to you within 3-4 weeks regarding any scholarship we can offer.**

If you accept a scholarship offer, a **\$400 deposit is due to secure your spot in the program**. The remaining tuition balance is due **March 1**, or after acceptance of the scholarship, depending on when the scholarship application is submitted. Please contact us if you need a more flexible payment plan.

### **TIMELINE:**

Students who are awarded scholarships will be notified of their scholarship amount on a rolling basis. Applications will be considered as long as funds remain available. The scholarship amount granted to each student is based on financial need, the cost of the trip, and the number of scholarship applicants.

### **CONFIDENTIALITY:**

All scholarship applications will be kept in the strictest confidence. Only senior staff will evaluate them. They will be destroyed at the end of the 2026 season. No participants on the program will know of the scholarship awarded to your family.
